

Xciter to perform on Sirius Radio

Last Updated Tuesday, 05 December 2006

Our friends in Judas Priest tribute band Xciter will performing on Sirius Radio 12/5/06 with the one and only Rob Halford of Judas Priest. Jim Breuer's Sirius Radio show, Jim Breuer Unleashed welcomes Rob Halford as a guest 12/5 and has asked Xciter to stand in as Rob's backing band. I know the boys are very excited to finally play with the Metal God himself.

To check out the show, go to www.sirius.com and try it out for free.

Jim Breuer Unleashed: Screaming for Vengeance

Today 4:00 pm ET

Brew will be in rare form when we welcomes one of his all-time wish-list hanger, Rob Halford of Judas Priest. For those of you who caught Brew's introduction of Judas Priest at the Metal Honors show, you know this show will be that and then some.
